### Petition Pickup Disclosure

The following list reflects individuals who have picked up petitions to run for public office in Washington County. Petition pickup information is **public record** and will be updated regularly on our website as new activity occurs – usually at close of business (4pm EST).

- **The order in which candidates appear on this list does *not* indicate the order in which names will appear on the ballot.**
- A candidate's appearance on this list **does not guarantee** they will qualify for the ballot. Candidates must meet all state requirements and submit completed petitions with the required number of verified signatures by the applicable deadline.
- Petitions may be returned, withdrawn, or deemed insufficient, and these changes will be reflected as updates become available.
- The Washington County Election Commission remains **strictly nonpartisan** and provides this information solely for public transparency.

For questions regarding ballot access, qualifying deadlines, or petition requirements, please contact our office.
