---

Dear Candidate,

On behalf of the Washington County Democratic Party (WCDP), the Tennessee Democratic Party (TNDP), the Democratic National Committee (DNC), and fellow Democrats in our region, **we thank you for taking the first step in your candidacy for office!**

Over the last several election cycles, Democrats in Washington County have made significant progress, with notable increases in our share of the votes, massive gains in Democratic turnout, and marked boosts in fundraising. At the national level, Democrats have accumulated wins in 2025, which are encouraging for the 2026 mid-term elections.

**We are excited that you, as a Democratic candidate, will defend our values and ideals, ensuring further progress in representing all families, communities, and neighborhoods.**

As you embark on this new journey, know that WCDP is here to support you.

- Please feel free to reach out to Sylvain Bruni, WCDP Chair, at [chair@wctndp.org](mailto:chair@wctndp.org) or 423.806.0606. We need to know that you are running so we can support you until election day and beyond!
- WCDP can provide support with the following campaign matters:
  - Recruiting a campaign team
  - Defining your message to voters
  - Getting out the vote for the primary & general elections
  - Fundraising & filing financial disclosure reports
  - And helping to answer questions you might encounter on the campaign trail!

We organize regular information and training sessions, as well as joint initiatives between all Democratic campaigns in our county. We'd love for you to participate in them! We're here to amplify your campaign, so please do not hesitate to get in touch.

**Thank you again for running and wanting to serve our community.**

With pride and commitment,

**Sylvain Bruni**  
Chair, WCDP
